

YOUTH DREAM

FUND-RAISING STRATEGY

Youth Dream operates on values of honesty, integrity and accountability, always seeking the benefit of young people through her services.

Fundraising is undertaken through grant applications, online giving facility and commercial sponsorship.

Monthly trustee meetings receive update on income and three trustees monitor grant applications.

The conditions of all grants must be fulfilled and effective monitoring is recorded.

Contracts are monitored for service delivery.

Effective limits are set on charity expenditure and reserves.

Any fundraising events are approved by Trustee oversight.
